

LEV VYGOTSKY

One man's legacy through his life and theory

DOCUMENTARY

Contact your purchasing department today and order the first and only in-depth Lev Vygotsky Educational Documentary! <http://www.vygotskydocumentary.com/>

“The Lev Vygotsky documentary will be a required item in all university courses that focus on Vygotsky's theory of cognition, learning and development. The film will provide an important socio-cultural context to any psychology course in which classical developmental theories of Vygotsky and Piaget are discussed.”

~Alex Kozulin, Ph.D.

PHD LOWE PRODUCTIONS is pleased to announce the release of:
“Lev Vygotsky: One man's legacy through his life and theory”
A Documentary by Valerie Lowe

Join colleagues and students from around the world in exploring the life and theory of Lev Semenovich Vygotsky. Gain knowledge about this groundbreaking developmentalist's own accession through the tumultuous times of early USSR, the evolution of his theory and practice and its application in everyday life.

LEV VYGOTSKY

One man's legacy through his life and theory

DOCUMENTARY

This educational documentary is comprised of one hour and fifty-three minutes of teaching material that will support any curriculum relating to Vygotsky's work. It is separated into short, topical chapters for easy selection and is appropriate for time frames of classroom instruction. It further serves as a self directed resource for students.

As a teaching tool, potential for application reaches far and wide into any curriculum but is particularly applicable to several departments, including, but not limited to:

- Psychology
- History
- Child Development
- Education
- Health Care
- Philosophy
- Film
- Communication
- Social Work

Your campus cannot and should not afford to be without this invaluable documentary giving the FIRST in-depth visual study on this forefather of modern development's life, work and practical applications to human progress!

“...a resource that is much needed, especially given its historical approach to understanding Vygotsky's scholarship. I would use the Vygotsky Documentary in teaching classes and seminars at the university level in the U.S. This project would be an invaluable contribution to various fields focused on learning and teaching.”

~Cathy Angelillo, Ph.D.

University of California at Santa Cruz

LEV VYGOTSKY

One man's legacy through his life and theory

DOCUMENTARY

"Such a product would be of immense potential benefit not only for psychology students but also for students and scholars in other disciplines."

~Chris Sinha

Professor of Psychology of Language

President, UK-Cognitive Linguistics Association

University of Portsmouth

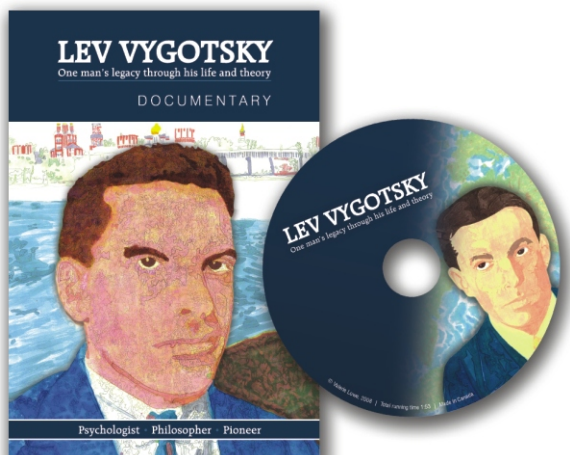

"As a Professor at Monash University interested in Socio Cultural Theory, I am particularly interested in the works of Lev Vygotsky. We would find a documentary of the kind particularly valuable for our undergraduate and postgraduate students."

~Marilyn Flear

Professor of Early Childhood Education
